Easy 21: The Blackjack Betting Guide Carlos J McCrum
For people who have been playing for years, or if you're not sure whether you need to hit or stay. It's a strategy that gives you the power and freedom to make your own decisions. You might not make a million, but that doesn't mean you can't make a lot of money. • Don't waste your time or money trying to count cards. • Get a detailed look at several graphs and tables to help you understand the strategy. • Don't waste hundreds or thousands on a system that may or may not work. • You can lose some, you can win some with basic strategy, but you can lose some and win a lot more with my strategy. Who would want to win less? Not much risk for a very good chance to make some extra money. A simple, but complex way of playing at such a low price. Chances are your bets are going to cost more than my strategy. Having this book and information could be the best bet you ever made, especially if you make a lot of money. It is a good tool to have, whether or not you want to use it.
