Leadership in Balance: THE FULCRUM-CENTRIC PLAN for Emerging and High Potential Leaders
Mike Lerario
“Mike takes a fresh perspective on the topic of leadership. A must read for aspiring and seasoned leaders alike, and a welcomed addition to anyone’s leadership library.”
~ **Mike Garner**, a former Infantry officer and leadership instructor at West Point.

This book is written for the new manager or anyone who aspires to become a leader. Whether you have just finished school or have been working for some time, you are in (or about to assume) your first real leadership position. *Leadership in Balance* will help you to see and understand your natural tendency in each of four essential leadership domains.

Once you’ve identified your true and natural tendencies, you become self- aware of your default position as a leader. Armed with that knowledge, and as you become situationally aware of your team and the environment, you will learn to see when the situation demands a shift in order to find balance between you and the environment where you lead.

Understanding the concepts of *Leadership in Balance* will allow leaders at all levels to become immediately more effective and infinitely more productive.
