Comments From Other Readers

"I don't normally have the patience to sit and just work on a craft. Then I broke my leg. Needless to say there wasn't too much I could do but sit for long periods of time. You can only have so many Netflix marathons. A friend of mine from work suggested taking up crocheting. I figured with this book I might be able to throw something together for the holidays and if not, I'd at least keep my mind off my leg. It was a success on both parts! I started out with a runner and worked my way up to a wreath. I know this is something I'll continue

long after I’m up and walking!” - Amy (Minnesota, US)

“I loved making little gifts for my kid’s teachers and even as stocking stuffers. The Elf was adorable and the cape will get a lot of use as the days get colder. I’m so glad I grabbed this book!” - Kelli (North Carolina, US)
