Home Artist: Learn to Draw and Paint in 20 Easy Lessons Editors of Reader's Digest
"Home Artist" is an accessible and easy to follow course for anyone interested in developing their artisitic abilties using different types of media. The book includes projects using pencil charcoal, pastel, watercolour, acrylics, and oil paints. There are also sections devoted to more general subjects, covering everything from preparing the paper or canvas, and mixing and blending different colours, through to composition and perspective. Each chapter features a wide range of practical projects that enable the reader to develop the skills described in the text as a step-by-step process. Project themes range from keeping a simple sketch book to painting detailed watercolour landscapes. Accompanying boxes provide help and top tips for any aspiring artist. Highly illustrated throughout, "Home Artist" is accompained by full-colour photographs to ensure a stress-free learning experience and provide expert guidance. The wiro bound format allows the artist to turn the pages in a quick and easy way, and allows the book to rest open without the need for a stand.

Gary Jensen:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very

important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Home Artist: Learn to Draw and Paint in 20 Easy Lessons can make you sense more interested to read.
