More Frugal Gambling Jean Scott, Angela Sparks
Jean Scott's first *Frugal* book took the gambling world by storm. It showed how "small" players could get in on the bonanza of casino giveaways, including free rooms, meals, shows, and many other complimentaries. Queen Jean returned five years later with the sequel, *More Frugal Gambling*, which contained a veritable truckload of new frugal advice and strategies for recreational gamblers who wanted to stretch their money and their fun in the casinos.

And now, the second edition of *More Frugal Gambling* is even more of a powerhouse, updated to reflect the baker's-dozen years since the publication of the first edition, which included the 2008 recession that had an intense impact on the casino industry.

Jean updates all the highlights and lowlights of frugal advantage play, including the ins and outs of players clubs, cashback, bounceback, free play, and comps; finding and beating promotions and tournaments; and using coupons, casino-mail offers, and slot hosts to get the freebies that most gamblers assume are beyond their reach.

More Frugal Gambling Second Edition is just that: more of what made the "Gambling Grandma" the favorite of hundreds of thousands of frugal casino aficionados.
