**Normal is Highly Overrated: The Second One Hundred Blogs** William A Sloan
I’m an itinerant artist: a writer/painter/photographer/muralist/graphic artist. It isn’t a choice as much as a calling, a calling to record, in words and pictures, the world as I see it, abstract or real. I like the whole idea of ideas and exploring them – sometimes in depth, sometimes with humor, always with curiosity as to where they’ll lead. This is the scond collection of one hundred blogs from my weekly Friday blog posts. I’ve heard they’re good accompaniment to morning coffee. And I know for a fact they have fewer calories than donuts. So enjoy without guilt. Find the joy! That’s what I say, and if you can’t find it, make your own.
