Warrior's Moon: A historical medieval romance Jaclyn M. Hawkes
They loved each other desperately. Never in all the kingdom has there been a more brave and protective champion. Nor such a loyal and capable maiden. He rescued her the first time when she was three years old in a killing storm. Years later, he was still occasionally rescuing her. 'Twas in him to be a hero, and she had a pure intrepid way of getting into the kinds of scrapes that took rescuing. With such a brawny, masculine guardian around, 'twould have been a fair pity to waste the gallantry anyway. Their childhood friendship between two young peasants had grown into a devotion few are ever blessed to experience. It was strong enough to withstand all their dark age held—danger, feudalism, disease, and unfair oppression. Or is it strong enough? They truly loved each other desperately. They loved their kingdom more. Advance praise for Warrior’s Moon “What a wonderful tale. Made me get all choked up for a bit. Jaclyn Hawkes has truly done a great thing. Thank you.” Charlie M. in Georgia
