Non-fiction: Aliens Answer contains the transcripts of interviews with off-planet beings (aliens). Ms. Barr, certified hypnotherapist and behavioral therapist, placed client Steve Reichmuth under deep hypnotic induction. While in this state, the question was posed, “Are there any non-earth beings who wanted to make contact?” A being came through Steve who described himself as being from Zeta Reticuli. He told us that we could call him “Han.” The initial contact was so intriguing that the therapist prepared detailed, probing questions for ensuing interviews. The questions covered the sociology and science of these beings, as well as history, biology, physics, mysteries of the Universe, and much more. Early in the sessions Han introduced Zestra and Gen. Zestra is his partner and a healer. Gen is in training for making diplomatic contact with various life forms. All three worked together to answer the questions posed by the therapist. The rich answers validate the reality of these off-planet beings. Some physical incidents also helped validate the truth of these contacts. The therapist arranged for testing of this communication by bringing these beings through another individual, a medical doctor. The same bright and engaging being called Han easily came through this second individual, as well as Zestra and Gen. This is an ongoing communication. Readers are invited to submit their questions for these beings to: behavior.therapy@yahoo.com. If appropriate, these questions will be posed during future sessions.
