Twenty-first Century Theologies of Religions: Retrospection and Future Prospects (Currents of Encounter)

Twenty-first Century Theologies of Religions: Retrospection and Future Prospects (Currents of Encounter)

Within Christian theology, debates on the theology of religions have intensified over the last thirty or so years. This volume surveys the field and maps future directions in this expanding and important area of research. Both established experts and new voices address typological debates, comparative theology, multiple religious belonging or identity, and how dialogue between different religious traditions affects our understanding of these issues. Different perspectives and traditions are represented, and, while focusing upon debates in Christian theology, voices and perspectives from a range of religious traditions are also included. This volume is an essential tool for research students and established scholars working within the theology of religions and interreligious studies. Contributors are: Graham Adams, Tony Bayfield, Abraham Velez de Cea, Gavin D Costa, Reuven Firestone, Ray Gaston, Elizabeth Harris, Paul Hedges, Shanthikumar Hettiarachchi, Haifaa Jawad, Kristin Beise Kiblinger, Paul F. Knitter, Oddbjorn Leirvik, Marianne Moyaert, Mark Owen, Alan Race, Sigrid Rettenbacher, Perry Schmidt-Leukel, Leonard Swidler, Philip Whitehead, Janet Williams, Ulrich Winkler."
