The magnificent Cathedrals of England are an important and integral part of the country, its citizens, and the cities they are located in. In an increasingly secular society they are beacons of religious piety and represent centuries of Christian worship. CALVENDO has chosen this calendar for its "Made in the UK" edition. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
