Cure Diabetes Naturally Jonathan Prins
Type 2 Diabetes is reversible! After being diagnosed with Type 2 Diabetes in early 2011 the author undertook exhaustive research to better understand the disease that he had been diagnosed with. What started out as a collection of research articles from several respected doctors and researchers slowly took shape as a book on how to undo the damage and prevent it from happening again. Inside this book there is information on dietary protocols and supplements that type 2 diabetics need to know about. Included are recipes that the author formulated and used personally as well as suggested exercise systems to help with weight loss and general fitness. If you are a type 2 diabetic then you need to read this book to find out what you need to know to get off medication and live a life free from diabetes and medications. A recent study by the CDC has shown that it is in fact possible, in a small percentage of people, to cure type 2 diabetes through lifestyle changes that include diet and exercise. If you want to live a life free from Type 2 Diabetes, then Cure Diabetes Naturally may help you to achieve this.
