Shannon Davis has just split up with her boyfriend. As if that's not enough, she works overtime and too late realizes she's left her purse - with her keys and cellphone inside - sitting on her desk. She can't get back in the building and its started to snow. Simon, a chap who works at another floor of her building - and who flirts shamelessly with her every morning - offers her a lift home. He's parked in an underground parking garage and once they are in the elevator, Shannon goes down - but that's just the start!
Explicit and fun, a must read if you've ever been in an elevator with a hottie.
