Helps readers visualize human anatomy
The #1 best-selling book for the human anatomy course, ***Human Anatomy,*** **Eighth Edition** is widely regarded as the most readable and visually accessible book on the market. The book's hallmark strengths–detailed art that teaches better, a reader-friendly narrative, and easy-to-use media and assessment tools—are enhanced through assignable anatomy animations and tutorials in MasteringA&P, more prominent in-book media references, and updated Focus Figures. Within the book, photos reinforce real-world applications, and cadaver photos and micrographs appear side-by-side with art, working together to help readers accurately visualize key anatomical structures.

For the **Eighth Edition**, new, essential digital resources in MasteringA&P are more deeply integrated than ever throughout the text, making it easy for students to find helpful study tools. MasteringA&P's interactive tools include adaptive Dynamic Study Modules; helpful videos on bone identification, organ dissection, and cat dissections; new Clinical Scenarios; and PAL 3.0.

Personalize learning with MasteringA&P
MasteringA&P is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Instructors ensure students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics. Students can further master concepts after class through traditional and adaptive homework assignments that provide hints and answer-specific feedback. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.
