Lawrence D. Fredendall, Matthias Thürer

An Introduction to Lean Work Design: Fundamentals of Lean Operations, Volume I (Supply and Operations Management) Lawrence D. Fredendall, Matthias Thürer
This book provides a short, concise overview of lean work design, which sees lean systems as the result of a systematic implementation of appropriate work processes. It discusses lean tools, but views tools only as a means of achieving a desirable work design and does not see the use of lean tools as a goal in themselves.
