New Zealand from Above Alison Dench
Over ten years' worth of aerial photography have given photographer David Wall a unique viewpoint on New Zealand, and this compact hardback provides the perfect souvenir of New Zealand, featuring a selection of Wall's best shots from Cape Reinga to Bluff. David Wall captures all aspects of the landscape, from mountains, coasts and national parks to towns, cities and ports. From up high the Land of the Long White Cloud takes on a beauty all of its own - pristine coastal coves accessed only by sea; bush embracing like a discarded rug the crumpled contours of the land; sweeping golden statements of sandy bays, the breathtaking spectacle of the Main Divide; roads snaking through gorges; the geometric quilt of cultivated plains. An introduction and captions are provided by experienced writer and editor, Alison Dench.
