**All the animals are busy lending a hand in the garden in this lively numbers book**

The parrots are pulling up carrots, the bears are picking pears, and a swarm of bees are pruning the trees with their miniature shears. Julia Donaldson's whimsical rhymes and Nick Sharratt's hilarious illustrations make this early introduction to animals, the outdoors, and gardening a delight to share out loud. With plenty to giggle at on every page, counting—or gardening—has never been so much fun!
