Outsourcing and Human Resource Management: An International Survey (Routledge Studies in the Growth Economies of Asia)

Outsourcing and Human Resource Management: An International Survey (Routledge Studies in the Growth Economies of Asia)

Outsourcing is an increasingly popular strategy deployed by a variety of institutions, including banks, multinational companies and small and medium-sized enterprises (SMEs).

The book assesses the problems and solutions for those attempting to outsource through an analysis of human resource management, insourcing, lifecycles of the project, insurance requirements, operational management and recruitment within the context of the financial services industry, automotive and IT industries of Japan, North and South Korea, South Africa, Mexico, Eastern Europe, China and India.

Including detailed comparative case studies, this book:

- considers how outsourcing can best be made to work
- explores the human side of outsourcing
- offers practical advice for improving organizational relationships and performance
- looks at important practices such as insourcing
- provides much needed analysis of the risk and insurance issues involved in outsourcing.
