Anna And The Talking Skunk: A Children's Fairy Tale Animal Adventure Scott Hughey
This Children's Fairy Tale features talking animals, thrilling adventures, and maybe a lesson or two as well. Anna doesn’t like having to take care of her brother’s puppy, especially since Todd doesn’t let her play with him. When she lets Scruffy outside without a leash, Todd gets lost searching for him. Anna has to make things right by finding both of them. She discovers a magical world in the woods beyond her house. She soon encounters giant bunnies, talking skunks, and more. But will she make it back home in time for dinner? One-part fantasy, one-part fairy tale, all fun- this kid's book has something for children of all ages. Included is a link to my reader's group.
