Department of Defense Dictionary of Military and Associated Terms (Joint Publication 1-02) Joint Chiefs of Staff, Office Secretary of Defense, U. S. Department of Defense
The Joint Publication 1-02, Department of Defense Dictionary of Military and Associated Terms sets forth standard US military and associated terminology to encompass the joint activity of the Armed Forces of the United States. These military and associated terms, together with their definitions, constitute approved Department of Defense (DOD) terminology for general use by all DOD components. This publication supplements standard English-language dictionaries and standardizes military and associated terminology to improve communication and mutual understanding within DOD, with other federal agencies, and among the United States and its allies. This edition of JP 1-02 has been published in two basic parts: A. Terms and definitions. These are annotated with the source publication. B. Abbreviations and acronyms. The source publication establishes the authoritative context for proper understanding and management of the associated term.
