Fun with Cars and Trucks Stencils (Dover Stencils) Paul E. Kennedy

Here are six child-size stencils of subjects children love: a sedan, a delivery truck, a fire engine, a big rig, a Volkswagen "bug," and a motor scooter.
With these six full-page, pre-cut stencils, youngsters can create artworks to paint or color, illustrate a story or message, decorate toys and stationery, and much, much more. And they can use these stencils with automotive themes over and over again. So much fun for such a small price!
