Understanding the Prophecies of the Millennium Edgar James
Is the End Coming?The future is uncertain. Yet today many people try to peek behind this curtain of uncertainty by means of astrology, mediums, and the Psychic Hotline. How much of the future can we know? The Bible has much to say about the future through prophecy.Renowned Bible prophecy scholar Edgar James explores end times prophecy by examining current world events in Understanding the Prophecies of the Millennium. James show how the prophecies of the Old and New Testaments could come to pass in the near future. He asks:Will Russia reemerge as a dangerous superpower?What of the growing economic power of Japan and China?What is the significance of the European Union?What will be the role of the United States?James urges Christians to be alert to the signs of the times, judging for themselves how to strive to reach a desperate world for Christ before it's too late.To help readers understand and apply this material in their own ministry work, a study guide is provided to review each section of the book. Information about enrolling for adult credit with this text through Moody Bible Institute's External Studies School is also included.
