Win on Purpose!: Finding A Better Way and Sharing It! Jerry M Lujan
My wake-up call happened 16 years ago when my five year old daughter Kelley asked me for an “appointment” to take her to the park. I will never forget the question she asked me while at our “appointment” and how much it shocked me. Thankfully, that wake –up call led me down a path to finding a better way and now sharing it with others so that they don’t have to experience the same struggles and heartache that I did. In my book Win on Purpose: Finding A Better Way and Sharing it, I will take you through stories that demonstrate the power of understanding what contributes to the success of professionals and how to achieve it as well as what gets in the way and holds you back. I spent over 30 years in sales as a producer and as an owner doing things both the right and wrong way. I am sharing my experience with others now to help them avoid the same mistakes that I made and to accelerate your growth faster than I was able to achieve in both my career and my personal life. If you want to find out what question my daughter asked me, how to create more value, increase your income, and free up more of your time then this is a perfect book for you. I found a better way and I’m sharing it!
