Hunting Camp 52: Tales from a North Woods Deer Camp John Marvin Hanson

Meet the Jolly Boys—five men from northern Wisconsin who built a deer hunting shack in 1955 and established a tradition that has now lasted over six decades. Hunting Camp 52, affectionately known as Blue Heaven, is a place where every trail, rock, and ravine has its own nickname; every kill is recorded by hand on a window shade; every hunter happily croons along during evening songfests; and every rowdy poker game lasts late into the night. The outhouse is always cold, the porcupines are always a problem, and the vehicles are always getting stuck in the mud, but there's nowhere else these men would rather be.

In *Hunting Camp 52: Tales from a North Woods Deer Camp*, John Marvin Hanson—the son of one of the original Jolly Boys—recounts the sidesplitting antics, the memorable hunts, and the profound camaraderie that has developed over almost sixty seasons at Blue Heaven. Hanson also includes more than twenty recipes for gourmet comfort foods prepared each year at camp, from pickled venison hearts to Norwegian meatballs to the treasured recipe for Reali Spaghetti. As the Jolly Boys age and younger generations take up the mantle of Blue Heaven, Hanson comes to appreciate that hunting camp is not about bagging a trophy buck as much as it is about spending time with the friends and family members who matter most.

From reader reviews:

Leonard Parnell:

What do you think about book? It is just for students because they are still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that question above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great along with important the book Hunting Camp 52: Tales from a North Woods Deer Camp. All type of book could you see on many solutions. You can look for the internet methods or other social media.

Jason Carr:

Information is provisions for anyone to get better life, information these days can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is within the former life are challenging to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Hunting Camp 52: Tales from a North Woods Deer Camp as the daily resource information.

Eddie Patten:

Precisely why? Because this Hunting Camp 52: Tales from a North Woods Deer Camp is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Carmine Caulfield:

Is it you who having spare time then spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Hunting Camp 52: Tales from a North Woods Deer Camp can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?
