Lit: A Memoir

Mary Karr

Lit: A Memoir Mary Karr
The Liars' Club brought to vivid, indelible life Mary Karr's hardscrabble Texas childhood. Cherry, her account of her adolescence, 'continued to set the literary standard for making the personal universal' (Entertainment Weekly). Now Lit follows the self-professed blackbelt sinner's descent into the inferno of alcoholism and madness--and to her astonishing resurrection. Karr's longing for a solid family seems secure when her marriage to a handsome, Shakespeare-quoting blueblood poet produces a son they adore. But she can't outrun her apocalyptic past. She drinks herself into the same numbness that nearly devoured her charismatic but troubled mother, reaching the brink of suicide. A hair-raising stint in 'The Mental Marriott,' with an oddball tribe of gurus and saviors, awakens her to the possibility of joy and leads her to an unlikely faith. Not since Saint Augustine cried, 'Give me chastity, Lord-but not yet!' has a conversion story rung with such dark hilarity. Lit is about getting drunk and getting sober, becoming a mother by letting go of a mother, learning to write by learning to live. Written with Karr's relentless honesty, unflinching self-scrutiny, and irreverent, lacerating humor, it is a truly electrifying story of how to grow up--as only Mary Karr can tell it.

From reader reviews:

Curtis Wilson:

What do you think of book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great along with important the book Lit: A Memoir. All type of book is it possible to see on many solutions. You can look for the internet options or other social media.

Oliver Crites:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know which one you should start with. This Lit: A Memoir is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Joseph Asher:

Information is provisions for individuals to get better life, information today can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Lit: A Memoir as the daily resource information.

Felix Smith:

Reading a publication can be one of a lot of action that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new info. When you read a publication you will get new information due to the fact book is one of many ways to share the information or maybe their idea. Second, studying a book will make a person more imaginative. When you reading through a book especially hype book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to some others. When you read this Lit: A Memoir, you can tells your family, friends as well as soon about yours reserve. Your knowledge can inspire others, make them reading a e-book.
