The Wisdom of George Santayana

A survey of the influential—and prolific—modern philosopher

In dozens of books, magazine articles, and essays, George Santayana infused his philosophy with exquisite language, wit, and subtle humor, prompting one authority to state that he “writes philosophy more beautifully than any other thinker since Plato.”

The Wisdom of George Santayana makes accessible both his ideas and his oft-quoted aphorisms on a variety of subjects including naturalism, creative imagination, and spirituality without dogma. Organized by books and essays, and highlighting key words and themes, this compilation is an excellent introduction to the man and his work.
