Adventures In A Midwest Purgatory Michael Oellig
A group of four disenchanted cynics navigate a desperate world of rapidly declining taste in entertainment and opinion, armed only with a love for alcohol and socially unacceptable behavior as a means to lash out against a culture that is increasingly leaving them in the minority. Throughout the course of their adventures, they grapple with overrated pop idols, disgraced movie stars and washed up child actors in a twisted world where nothing is sacred and all bets are off. So crack open a forty of your favorite malt liquor, kick back, and let the chips fall where they may. Keep track of them, though. That's all we've got to eat until payday.
