**Astride Two Worlds** Teodor Gherasim
ASTRIDE TWO WORLDS is the story of a man of great courage and determination. A heroic man whose spirit soared above the cruel injustices of life under Communism in Romania as well as those in the United States. In the end, he was the victor. This is the autobiography of that brave man who writes of a compelling contrast of life in Communist Romania with a moving account of his new life in the US where unfortunately, he experienced similar injustices. A good read for anyone interested in the reality of daily life when Eastern Europe was under Soviet control, as well as the reality of striving for "Truth and Justice for All" in the democracy of the US.
