Moon of Two Dark Horses

Sally M. Keehn

Moon of Two Dark Horses Sally M. Keehn
Coshmoo and Daniel have been best friends as long as the Delaware Indians and white settlers have lived peacefully along the Susquehanna River. But now the river is red with blood as people from both sides are killed in the Revolutionary War. The British king wants Coshmoo's people to fight on his side, and holds out the promise that their land, which has been taken by the settlers, will be returned to them. As the tension grows, Coshmoo and Daniel vow-as they have so many times-to remain loyal friends, no matter what happens. Then, one day, their friendship comes up against the ultimate test.

"Keehn plunges the reader deeply into her narrator's mind and heart. . . . An intricately layered and culturally and historically enlightening book." (*Booklist*, starred review)
