Obscene Profits: Entrepreneurs of Pornography in the Cyber Age

Frederick S. Lane

Obscene Profits: Entrepreneurs of Pornography in the Cyber Age Frederick S. Lane
Sex sells. Already a ten-billion dollar business-and growing-most sex businesses require relatively low start-up costs and minimal equipment. No wonder retired porn stars, homemakers, college students, and entrepreneurs of every stripe are eager to jump on the smut band wagon. Following the money trail, or in this case, the telecom routes, the author reveals how some big phone companies are cashing in too. *Obscene Profits* offers a startling and entertaining new look at this very old business, and shows why pornography, in all of its variations--videos, magazines, phone-sex, spy cameras, etc.-- is one of the most profitable and popular new careers to come out of the electronic age.
