A History of Europe in the Twentieth Century Eric Dorn Brose
Written in a vivid and accessible style, *A History of Europe in the Twentieth Century* examines the continent's descent into the turmoil of two world wars, the tense cold war standoff between the victors, and finally the beginning of a more tranquil and egalitarian age. Rather than viewing Europe's history from an outdated perspective colored by cold war ideology, Eric Dorn Brose discusses these topics from a contemporary point of view, looking backward at the total impact of major events on the European world.
