nigel ellis

haematograms nigel ellis
nigel ellis is a poet, songwriter and author, currently undertaking a B. Fine Arts with a major in Creative Writing at Queensland University of Technology. He has published in numerous print and online journals, and is perforce currently based in Brisbane, Australia.

Review

"*haematograms* reaches into the tight corners of the mind to seize instants of clarity. Ellis is unique in his knowing, sharpest when catching things that he knows won't last. This is an impressive debut, one where the charm of the ordinary and the mysterious collide; where the reader is transported into the poet's other-world to walk the edge of his imagining."
- **Graham Nunn**, author of *Ocean Hearted*

From reader reviews:

Jess Bolan:

Here thing why this haematograms are different and dependable to be yours. First of all studying a book is good however it depends in the content of the usb ports which is the content is as yummy as food or not. haematograms giving you information deeper and different ways, you can find any book out there but there is no reserve that similar with haematograms. It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is probably can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your approach home by train. In case you are having difficulties in bringing the printed book maybe the form of haematograms in e-book can be your alternative.

Adam Sea:

This haematograms tend to be reliable for you who want to be a successful person, why. The reason of this haematograms can be among the great books you must have is usually giving you more than just simple studying food but feed you actually with information that might be will shock your preceding knowledge. This book is definitely handy, you can bring it just about everywhere and whenever your conditions at e-book and printed people. Beside that this haematograms forcing you to have an enormous of experience like rich vocabulary, giving you demo of critical thinking that we know it useful in your day pastime. So , let's have it and revel in reading.

Larry Luis:

People live in this new day of lifestyle always make an effort to and must have the time or they will get wide range of stress from both daily life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, the particular book you have read is usually haematograms.

Robert Hill:

Many people spending their time period by playing outside together with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smart phone. Like haematograms which is keeping the e-book version. So , why not try out this book? Let's notice.
