How Not to Hate Your Husband After Kids Jancee Dunn
A hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice.

How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper?

Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child.

Enter Jancee, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today.

On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an "explosive situation." Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate--and rebuild--your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children.

Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

Kristopher Sutherland:

That book can make you to feel relax. This specific book How Not to Hate Your Husband After Kids was bright colored and of course has pictures around. As we know that book How Not to Hate Your Husband After Kids has many kinds or category. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.

Regina Schubert:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
