Because Grand-O-Grams have been so popular, we've created a second collection! What makes this bunch a nice complement to the first is the addition of our "2-step" postcard which encourages even more connection between "grand" and "kid." The grandparent fills out one side of the card. The grandchild folds the card, writes his or her thoughts on the other side and sends it back. Rounding out the book are some new riddle and game postcards and more of the favorite everyday greetings. Enjoy being in touch with those wonderful grandkids!
