Teeth Are Not for Biting / Los dientes no son para morder (Best Behavior) (English and Spanish Edition) Elizabeth Verdick
Many young children go through a biting phase. This upbeat, colorful, bilingual English-Spanish board book gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. This book helps prevent toddler biting and teaches positive alternatives: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. The book also includes helpful tips for parents and caregivers in both English and Spanish.
