The Well Adjusted Horse: Equine Chiropractic Methods You Can Do

Brookline Books/Lumen Editions

The Well Adjusted Horse: Equine Chiropractic Methods You Can Do Brookline Books/Lumen Editions Horse riders, horse lovers, equestrians everywhere will enjoy this new book from our favorite colorful chiropractor, Dr. Daniel Kamen. Here in his latest animal chiropractic book Dr. Dan explains how any horse owner or stable keeper can take proper care of their animal. These animals are the equine version of a highly trained athlete, he says, and like any athlete they are susceptible to injury. Whether the patient is human or animal, the basic chiropractic technique—manipulating the spine to return misaligned bones—is the same. Kamen says, "If it has a spine, I can work on it." With the aid of a step ladder for height, and a few easy to follow techniques you can learn how to give your animal the proper care he needs to keep him on track. Dr. Kamen has treated racehorses he says, for what he terms, "a nagging backache." With his trademark humor, highly entertaining stories about his adventures as an animal chiropractor, Dr. Kamen has again delivered a book that will be delight to equestrians. A wonderful giftbook for horse-lovers. So ... Happy trails!
