The review students need to excel on their medical physiology course exams and the USMLE<?xml:namespace prefix = "o" ns = "urn:schemas-microsoft-com:office:office" />

This powerful new review follows the format of the acclaimed *Katzung & Trevor's Pharmacology Examination & Board Review*. It delivers a concise overview of essential high-yield topics and fundamental concepts, followed by USMLE-style Q&A. The chapter-based approach facilitates use with course notes or larger texts. Presented in full color, the book includes numerous flow charts, illustrations, and tables that summarize must-know information.

Ganong's Medical Physiology Examination & Board Review succinctly covers all key physiology principles and includes clinical correlations to clarify the connection between physiology and clinical medicine. The book includes two comprehensive 100-question examinations, followed by the correct answer and rationales. Learning aids included bolded key terms, skill-builder questions that prompt readers to review previous material, and end-of-chapter checklists.

- Essential for USMLE Step 1 review
- An excellent course book for physiology
- Companion website offers interactive customizable qBank
