Moonie and the Spider Queen

Mr. Nicola Cuti

Moonie and the Spider Queen Mr. Nicola Cuti
Lusty little Moonie can live in the hostile environment of Outer Space wearing little more than a smile. She hates wearing clothes and does so only for modesty's sake. Her survival ability is worth billions. When Moonie's scooter-meteor crashes into the starship, the Big Bang, Perry and Torry entice the sexy Starbabe to stay while they secretly plan to sell her to the big business corporations on Earth. But Moonie receives a telepathic call for help from her sister Starbabes and she is off to the planet, Vulva-5. Perry and Torry are in pursuit and their chase takes them through a world of giant thinking spiders, deadly soldiers, reducing machines, tanks of luscious naked maidens in cryogenic sleep and the deadly, beautiful Spider Queen, Phobia. This is a comic novel of fun and surprises but definitely not for the entire family. Adults only! This is a NEWLY REVISED EDITION--bolder and sexier.
