Trapped together in the wilderness, they'll discover opposites don't just attract--they ignite...

Professor Beatriz Schuler doesn't waste time on blind dates or finding Mr. Right--and she definitely doesn't do one-night stands. But she's about to come face-to-face with the smoking-hot firefighter she broke all the rules with... And this time she can't run off come morning.

Russell Cheng is always ready to swoop in and save the day, which along with his superhero looks, makes him the perfect firefighter. He readily agrees to take a professor on a wilderness research trip, but when she turns out to be the one-night stand who's haunted him, he vows to get her back in his bed. And he's not going to let her pull a disappearing act this time.

When their trip takes a turn into danger, Bea and Russ have to pretend to be married in order to survive. But as their pretend marriage begins to feel all too real, can their relationship move from fiction to fact?
