Beware The New Prophets revised: a caution of the Prophetic Movement Bill A Randles

Beware the New Prophets revised is an updated version of Pastor Bill Randles' 1999 expose of false prophets and how to discern them.The history of the modern Prophetic movement is examined back to its roots in the Manifested Sons of God heresy of the late 1940's which was one refuted and rejected by the Assemblies of God and other Pentecostal groups, but which re-defined and re-packaged as the New Apostolic Reformation now infiltrating thousands of churches world wide, beyond Pentecostalism, into the wider evangelical world. Pastor Bill teaches the biblical tests for false prophecy, and examines newer false prophets such as Bill Johnson, Mike Bickle and Todd Bentley.
