Black Life Dorothea Lasky

You are born and it is to a black life
Full of abuse and strange things . . .

In her brazen second collection, Dorothea Lasky cries out beyond prophecy and confession, through to an even more powerful empathy. On the verge of becoming pure substance and sensation, *Black Life* is emotion recollected not in tranquility, but in radically affirming intensity.

I leave and I am a black life . . .
And I want to
Be what you made me to be

Dorothea Lasky is the author of three collections of poetry. Educated at the University of Massachusetts, Washington University, and Harvard University, she currently teaches at Columbia University.
