Betray not the heart

Lady Domina is playing a daring game. After her father falls gravely ill, she hides the truth of his condition and continues to rule in his name. Then one of the king's knights arrives on royal business, and she must find a way to deceive the arrogant, handsome intruder.

Sir Luc of Braecon is fiercely loyal to the king. His battle scars prove it. When he is ordered to investigate reports of an insurrection, he swears to find the traitor. The first clues lead him directly to the Lady Domina. As the relentless knight exposes one secret after another, he finds that nothing about the tantalizing lady is what it seems.

Soon Domina and Luc are locked in a dance of deception, lust, and betrayal, each turn bringing them closer to a finale where winner takes all. Considering the stakes, the real danger is falling in love...

The second book in the Swordcross Knights*: A series of full-length historical romance novels set in the vivid and beguiling world of medieval Britannia.*
