Waking up in the Minecraft world for the first time, Bert has to learn how to survive the dangers all around him. He will have to find food, find materials to build with, and keep the monsters away. There's a lot to learn in this new world. A lot of new things to find. A lot to create. Dangers and beauty and wonderful treasures await Bert. What will he find? What will he do? What will he create? Day One, the Shelter: Bert is a noob in a world of strange new things. Everyone knows the first thing to do is build a shelter. That might be hard to do, if the Creepers get him first. Day Two, Potatoes: There's things to see, there's things to do. But what happens when Bert gets hungry? Will the villagers help? Day Two, Finding the Ravine: Always close the door to your house! There's a world out there to explore, but you need a home to come back to. Problem is, the monsters like Bert's home too! Day Two, Skeleton Attack!: Down underground is where the best riches hide. Bert wants to mine out the good stuff. Things get scary down in the dark... Day Twenty, Entering the Nether: Days after he started exploring the world, Bert has everything he could want. A better home, better tools, better weapons. There's still more to explore. What is this Nether that he's heard so much about? Day Twenty, Finding the Nether Fortress: Monsters! Monsters everywhere. Who knew the Nether would be this dangerous? Should he explore the giant fortress, or play it safe? Day Twenty, Escaping the Nether: Diamonds and emeralds and gold are tempting. They might be worth sneaking past a few monsters. Unless Bert dies...
