German Philosophers: Kant, Hegel, Schopenhauer, Nietzsche

Roger Scruton, Peter Singer, Christopher Janaway, Michael Tanner

German Philosophers: Kant, Hegel, Schopenhauer, Nietzsche Roger Scruton, Peter Singer, Christopher Janaway, Michael Tanner
German Philosophers contains studies of four of the most important German theorists: Kant, arguably the most influential modern philosopher; Hegel, whose philosophy inspired a vision of a communist society that for more than one hundred years enlivened revolutionary movements around the world; Schopenhauer, renowned for his pessimistic view that for human individual non-existence would be preferable; and Nietzsche, who has been appropriated as an icon by an astonishingly diverse spectrum of people.
Written by leading scholars in the field, *German Philosophers* is the only work to bring together texts on the four philosophers who represent a central school of German philosophy. With a Foreword by Sir Keith Thomas and extensive notes for further reading, this handy volume serves as an easy-to-use introduction for the beginning philosophy student and a quick and comprehensive reference for scholars.
