Ghost Runners: An Olympic Dream Betrayed robert rubenstein

Joshua Sellers and Bobby Gillman have made the American Olympic team, and are poised to run as Jewish-American athletes in front of Adolf Hitler. But what happens to Joshua as he gets ready to run for an Olympic gold medal in the crosswinds, under the crooked cross of Nazi Berlin?

Racing with irony through the veins of inevitable, bitter, history, Ghost Runners exposes the far-reaching menace of American anti-Semitism, and illuminates the truth about the American dream. It is also a story of friendship, in the face of a great rivalry. What was Jesse Owens to his competitors, and them to him?

"I needed you, Josh," said Jesse Owens, "We were both on the same side. My place could only be first, if you were there, racing beside me."
"Beside, you? I wanted to run through you. I wanted to beat you in a foot race."

Both a love story, a sports story, and a cautionary tale of friendship in a time of evil, the finish line is set in both the past and the future.
A sports and Olympics story, for men, women, and young adults, 15 and over.
An unforgettable, transforming odyssey.
