Harmonic 33: A Radical New Explanation For Unidentified Flying Objects Bruce Cathie
"Even as you read this," writes author Bruce Cathie, "interplanetary spaceships are rebuilding a world grid system from which, it appears, they can draw motive power, and they are possibly also using the grid for navigational purposes."

Since this book was first published, further research has shown that at least a portion of the grid's secrets are already known to - and being exploited by - scientists from several different countries of the world.
