Katherine: A Novel

Anya Seton

Katherine: A Novel Anya Seton
Set in the vibrant fourteenth century of Chaucer and the Black Death, the classic romance Katherine features knights fighting in battle, serfs struggling in poverty, and the magnificent Plantagenets-Edward III, the Black Prince, and Richard II-who ruled despotically over a court rotten with intrigue. Within this era of danger and romance, John of Gaunt, the king's son, falls passionately in love with the already married Katherine. Their well-documented affair and love persist through decades of war, adultery, murder, loneliness, and redemption. This epic novel of conflict, cruelty, and untamable love has become a classic since its first publication in 1954.
