The Working Artist: 15 Lessons & Philosophies for Artists to Build Successful Art Careers Chris Cromwell
THE WORKING ARTIST: Practical Series for Building your Art Career Are you wandering down the creative career path and feeling like you have ZERO control? Do you have a passion, but you feel too overwhelmed by responsibilities to pursue it? Are you constantly worried about your creative opportunities passing you by? If you answered “yes” to any of those questions then you're going to have regret. Having a creative career is one of the most rewarding experiences a person can go through and if you have dreams to work in a creative industry, this book is perfect for you. The book was written for emerging artists and creative people looking to bring their career to the next level. A lot of this wisdom is universal, meaning it can be transferred between careers and is a perfect addition to any young entrepreneurs library. The book outlines 15 mistakes I made, lessons I learned and philosophies to implement for working-class artists. If you're looking for down-to-earth, experience based learning, this book is for you. The book is meant to give insight into the real-life experiences of working artists, based on my own experience. It shines light on the ways I made money, lost money and essentially the mindset needed to really experience a fulfilling creative career. I have a zero bullshit approach and I don't use fluff words or jargon. I tell real stories and share real insights. The book has laughs. The book has wisdom. This book will help you gain understanding of the perceptions, attitudes and ACTIONS that will make you a better business person and creator. Thanks so much for reading the WORKING ARTIST Series! Here's to your creative success!!
