Spiritual Capitalism: What the FDNY Taught Wall Street About Money Peter Ressler, Monika Mitchell Ressler
What is spiritual about capitalism? Wall Street veterans Peter Ressler and Monika Mitchell Ressler give us a practical guidebook that explains how to use our pursuit of profit to enhance our spiritual growth. Seven simple yet profound lessons that will change the way you think about money. Whether on Wall Street or Main Street, whether you are a millionaire or working for minimum wage, Spiritual Capitalism: What the FDNY Taught Wall Street About Money offers you a powerful blueprint to a new understanding of the pursuit of profit. From the cutthroat world of Wall Street comes a surprising new voice of wisdom. Using their own experiences as Wall Street headhunters, Peter and Monika shatter the illusion that business is impersonal. They expose traditional survival-of-the-fittest capitalism as an ineffective relic of the past. In its place, Peter and Monika show us how to turn greed into compassion and exploitation into service. In the process of transforming the ordinary practice of capitalism, we transform ourselves.
