Aspects of Gongora's 'Soledades' (Purdue University Monographs in Romance Languages) John R. Beverley
This study of Góngora's *Soledades* is intended to summarize and discuss some of the problems which seemed important for a better understanding of these poems. Special attention is paid to the two opposing 'camps' that developed over time; one mainly focussing on the form and the other on the content of *Soledades*. In this volume the authors tries to integrate the methods and results of both of the 'camps'.
