Compact Guide to Virginia Birds Curtis Smalling, Gregory Kennedy
This fascinating fact-filled book is an excellent introduction to the avian populations of Virginia. Over 80 species of birds are featured with two pages devoted to each species. A full-color illustration of each bird includes key identifiers. You'll also find information on each bird's common and scientific name, its size and voice, a range map, a photograph of the bird's egg, along with information on nesting, size of the egg and incubation period. Each account also includes illustrations of similar species.
